PERSONAL

French citizenship.
Born on December 16th, 1969.

EDUCATION

Student at the Ecole Normale Supérieure, Paris, 1989–1994.
M. Sc., Theoretical Physics, Université Paris XI, 1992.
Ph. D., Mathematics, Université Strasbourg I, 1998 (advisor: Marc Rosso).

EMPLOYMENT

1995–98: Université Strasbourg I, allocataire-moniteur (instructor of mathematics).
1998–now: Centre National de la Recherche Scientifique, chargé de recherche (researcher in mathematics).

RESEARCH INTERESTS

Geometric representation theory of classical groups, algebraic combinatorics, canonical and crystal bases in the sense of Lusztig and Kashiwara.

STAYS IN RESEARCH INSTITUTES ABROAD

University of California at Berkeley (USA), Spring 2000.
Bergische Universität Wuppertal (Germany), Spring and Fall 2002.
Fields Institute, Toronto (Canada), July 2005.
Mathematical Sciences Research Institute, Berkeley (USA), March–April 2008.
